## Overview of the trek

This trek is a part of Avhaan Nirmaan Udaan curriculum designed by GGIM. The trek starts from the old village Shangchar and further leads to Rani Sui Lake which is located in lush green meadows and from the heights one enjoys the changing colours and hues of the cultivated multicolored fields below the valley and majestic view of snow clad peaks.

The trek offers students an introductory experience of rich wilderness and they learn to implement 'Enjoy the Discomfort' principle. Stay in tents, lush green trails to hike on, fresh snow fields to tackle and all these at an altitude above 10000 ft.

This trek boosts students' confidence for their next level of ANU - Nirmaan.
