About the Course

A 4 days residential program designed to impart essential rock climbing skills, techniques, and knowledge. This is a certificate course offered by GGIM.

This certificate course is beneficial to not only the rock climbing enthusiasts but for all those who wish to do safe and enjoyable trekking. Giripremi's highly experienced rock climbers and instructors conduct this course. The syllabus of the course is designed scientifically and systematically in such a way that those who complete this course can explore possibilities in the field of mountaineering and rock climbing.

The candidates completing the course with 'A' grade can further join GGIM's Advance Rock Climbing Course.
